ABOUT THE EVENT

As a tribute to 'Mother Earth', BAI Mysuru Centre under the aegis of MBCT celebrates the month of June as 'THE WORLD ENVIRONMENT MONTH' with a variety of activities and programmes reaching out to all age groups and sections of society.

MYSORE BUILDERS' CHARITABLE TRUST - MBCT

Established in 2004, It mainly works for the welfare of construction workers and their families. It has a full fledged training centre to impart additional skills to construction workers. Also, it runs a dispensary for workers and their families. Skill development programs are also conducted in collaboration with construction industry development council, CIDC.

BUILDERS' ASSOCIATION OF INDIA - BAI

BAI - was formed in 1941. Today it has spread far and wide and has nearly 130 centres in India. It is headquartered in Mumbai. It has a direct membership strength of 13000 and around 50,000 indirect members affiliated to its regional centres. By virtue of its size, it is the true and primary voice of the construction industry.

Mysuru Chapter came into being in 1987. In 2013, it celebrated its silver Jubilee. Over the years, it has evolved hugely and has been recipient of many awards. It has "Spoorthi" - Ladies wing which is a first in BAI history. Also Shilpi started in 2012, is the only student wing. These efforts have ensured that our centre be rated as No. 1 in the country.
