**MAIDEN OUTSTATION EC MEETING WITH ORIENTATION PROGRAMME**

It was 27th April 2019. The venue was Coorg lagoon Resorts near Kushalanagara with the rustling sound of the backwaters of Harangi Dam in the background. The lush green locales added to the excitement of everyone.

J V R Naidhruva was full of excitement when he welcomed everyone to the first EC meeting after becoming the Chairman of BAI, Mysore centre. Of course, there were plenty of reasons to be excited. It was for the first time that the first EC meeting was held outside Mysore sans families. After a long gap, eleven Past Chairmen attended the meeting and the hall was almost full.

To begin with Sri. K Subramanya rao, immediate past Chairman presented the audited accounts to the EC. As it was the first meeting, event heads gave a brief report about their respective events. WEM chairman Sri. B S Dinesh elaborated upon various green events to be held during the month of June 2019. GROOP convenor Sri. Mahabaleshwara Bairy explained about Vaarahi Hydro Power Station and informed the members that a visit to the project was planned shortly.

The activities of Shilpi students wing were discussed in detail. The coordinators said that there were lot of enquiries about internship, not only from Mysore but also from other parts of Karnataka. As it is difficult to provide Internship to all the aspirants, the past chairmen advised to take extra caution while taking colleges for internship.

Sri.S R Swamy, Managing Trustee of MBCT thanked the members for their support which helped in MBCT auditorium taking this shape. He assured members that the soft loan

taken by MBCT will be returned as soon as possible. He said he would appreciate if any member waived off the soft loan they have given to MBCT.

After vote of thanks by Hon. Secretary Sri. R Raghunath, it was time for dinner accompanied by melodious music.

On 28th, a brain storming session and an orientation programme were arranged. During the first part of the session, Past chairmen Sri. K Sriram and Sri. S Prakash spoke about the history of BAI. They nostalgically remembered the way it was conceived, the time it was inaugurated and the hardships endured by charter members in the initial years. There was a sense of satisfaction when they spoke about the various achievements and milestones reached in the past 25 years. They lauded the efforts and contributions of various respected members like Hampe urs, Govindgowda, Channabasappa, Vijayashankar and Nandakumar to name a few. They appreciated the hard work and farsightedness of all the BAI

past Chairmen and its members which went a long way in shaping today's BAI. The session was educative, informative as well as a guideline to all the members present. Past chairman Sri. Ravindra bhat called upon the members to take this centre to greater heights and support each other in this endeavour. He assured full support and guidance of all the past chairmen in this regard. Past chairman Sri. Badrinath in his own inimitable style elicited the opinion of all the members about the functioning of the centre and gave few suggestions about what needs to be done to take it further. He had come with a prepared questionnaire and requested everyone to write about their feelings and suggestions about the future activities of BAI. Every member present at the meeting was very happy about the two days deliberation which was very much the need of the hour.

After a sumptuous lunch with lot of satisfaction we all returned to Mysore. Special thanks to hosts Sri. Mahabaleshwara Bairy and Sri. Revani Prasad, Coordinator Sri Vasudevan and Sri. Rajeev, owner of the Coorg Lagoon resorts and to everyone responsible for the enlightening and rejuvenating trip.
