KNOW OUR CHAIRMAN

Profile of Mr. Dinesh Basavapatna,
Chairman BAI, Mysore Centre, 2019-20

Mr Dinesh was born on 6th December 1964 at K.R. Nagara to Shri. B. A. Shivanna and Smt. Sugunamma. He did his Diploma in Electrical Engineering from CPC Polytechnic College, Mysore and joined the evening college SJCE for B.E in Electrical Engineering, which he discontinued to concentrate on his profession. He is a leading Iron and Steel dealer, doing business in the name of Sri Ganesh Steels. Mr. Dinesh Basavapatna is a familiar name in the literary and photography circles.

He is happily married to Sandhya, a passionate social worker, homemaker and a very active member of Inner Wheel and Spoorthi. She has held the post of President in Spoorthi earlier. He is blessed with a very loving daughter Eeshani, who is working in the field of journalism in New Zealand.

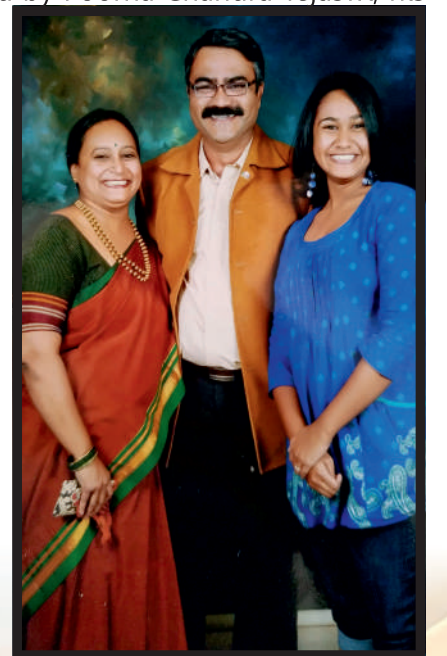

Apart from his business, he has great passion for photography. Mr. Dinesh is a wildlife photographer, freelance journalist, writer and translator. He is an avid traveller.

Wildlife photography has always been his passion. He has travelled through the forests of central, south and north eastern India to experience wilderness. He has also travelled to Serengeti and Ngorongoro National Parks of Tanzania.

His photographs have won awards in wildlife photography competitions held by Mysore Zoo, a 2nd prize in 2011 and 1st prize in the year 2013, both in the open category. His photographs were published in the editions of the book "Mammals of South Asia".

Along the way, he also became a freelance journalist, having been inspired by Poorna Chandra Tejaswi, his favourite and most admired writer. He writes about his stories in the wilderness and travelogues in the Haadu-paadu section of Andolana newspaper. He is also a special Correspondent of the same news paper. In 2015, he and his daughter Eeshani travelled by themselves in the Ladakh region on a Royal Enfield, the travelogue of which he covered as a column with 13 episodes in Andolana. Ever since camera, book and pen have been his second family.

He is now translating a National Geographic Sponsored project, Pulitzer Prizewinning journalist Paul Salopek's "Out of Eden Walk" into kannada. It is an epic journey of 34,000 Km across three continents in a span of 7 years by walk. Started on January 10th 2013 from Ethiopia, this project is supported by KNIGHT FOUNDATION and PULITZER CENTER FOR CRISIS REPORTING. Kannada is the only Indian language into which this amazing travelogue is being translated. And it is a matter of pride that Mr. Dinesh is the only Indian person who has been selected by National Geographic Society along with Arabic, Spanish, Italian, Russian, Georgian, Hungarian, Polish, French and Hebrew nationals. He quotes "I am really proud to say that my profile has been featured in the National Geographic Website".

AN EVENING WITH CHAIRMAN

Congratulations Mr. Dinesh for being elected as Chairman of Builders Association of India, Mysore centre.

Q. Due to the untimely demise of Mr. Naidhruva, you had to take the responsibility of Chairman. How do you feel about accepting the position?

A. It's very unfortunate that we lost our friend Mr. Naidhruva. I pray to the Almighty to give strength to the family members to bear the loss and I would like to say that nobody else should face this position. I wholeheartedly accept this responsibility as Chairman.

Q. Do you want to continue with the same theme ?

A. Yes definitely I will continue with the same theme and the entire team formed by Mr. Naidhruva will continue for the year 2019-20.

Q. What is your strength?

A. My family is my main strength . Because of their support I could take up the responsibility of heading the centre as Chairman.

Q. Could you talk about some events that Past Chairmen have carried out which have really inspired you to continue?

A. Personally I like Buildtech event, though it may not suit my passion. It is a learning process . In my opinion the topics should be easily adoptable by all delegates who attend the technical seminar. Actually Technical seminars are not restricted to BAI members. There are too many engineers and builders in Mysore, its open to all.

Q. BAI is a big organisation, how would you like to support? This Question is for Mrs. Sandhya Dinesh.

A. He is a very cool person. Before taking any decision he thinks twice, takes advice from family and friends for the best outcome. My support will always be with him .

Q. Hope as the Chairman of this vibrant centre, this would be your happiest moment.

A. My happiest moment is seeing my name in National geographic channel, proud to say that I am the first Indian selected as international translator, that too for Kannada, for the ongoing project. Looking at my name in the National geographic website is the ultimate goal of my life. For me in BAI, Chairmanship is not the ultimate, it is just a responsibility .I will try to perform to what extent it requires, I will try to give my best.

Q. We have heard that photography is your passion, what do you say about this..?

A. Undoubtedly Wildlife photography is my Passion. Wildlife photography is not just taking photos, it needs lot of patience. Basic thing is we have to respect the animals and learn to respect others' space... not only with animals, even with humans.

WORLD ENVIRONMENT MONTH INAUGURATION

Inaugural function of World environment month celebration on 5th June 2019 was a wonderful start indeed. The speakers are worth hearing about their work in their respective area of expertise. Prof. Sindhu Radhakrishna spoke about climate change. What these scientist find with the available data is that they have analysed that for every 1.5 million years there is an ice age regularly.

The factors affecting the climate change is mainly due to emission of CO_2 in the present years, logging of trees, mining and many more. The main reason for CO_2 emission is use of fossil fuel, to reduce this emission we may have to use solar energy or wind energy or avoid use of vehicles whenever possible.

The effects of CO_2 makes the green house effect where in it makes the atmosphere warmer. When the atmosphere gets warmer ice glaciers melts resulting in rise of mean sea level, which results in getting some human habitat getting submerged causing great loss to the man kind. The CO_2 emission also pollute the atmosphere in the form of air pollution, causing health related problems to the living beings.

The rise in temperature cause los of flora & fauna due difficulties in adaptability to the hot climate. This is the reason why some plants & animals became extinct, this is a dangerous situation.

The cause for the above is human beings. Use of natural resources extensively for developments and comforts, to mitigate the effect of global warming, do plant trees in large numbers and nurture it to grow, use less energy, use less resources and so on.

These were some of the points Prof. Sindhu Radhakrishna envisaged in her presentation on the days talk, thanks to the organisers.

Next came the lake man Sri Anand Malligawad presented his way of rejuvenating the lakes in Bengaluru. He is a man committed to revive 45 lakes by 2025. He use to enjoy free time in his child hood days by swimming and playing near a lake in his native place.

One day near his home in Bengaluru he visited the lake Kyalasanahalli, it was dying with silt and pollution he thought of cleaning & why it is so polluted. His view is the present generation of ladies are not going to lakes for doing the cultural rituals' which earlier generation were doing in the form of puja etc. Children are avoiding swimming in the near by lakes, water is not used for daily usage, this resulted in the neglect of lakes. So he thought of involving the local

population to revive the lake. He visited nearly 450 houses and mobilised the people to create the awareness not to spoil the lake further by not dumping waste into the lake .

He attended the meetings how to protect the lakes, with his determined mind he approached the authority to get the permission to revive the lake Kyalasanahalli. With the help of the company where he worked earlier, to use the CSR fund of the company to revive the Kyalasanahalli lake, with an area of 36 acres with 95 lakhs budget. He completed this in a record time of 45 days, with 4 earth moving equipments , he excavated a record quantity of 4.6 lakh cum of earth in 12 days. He could achieve this by motivating men involved in the work. He has planted 23 varieties of plants 6000 in nos. in one day, with the active participation of volunteers of an NGO. Now the lake is full, if you go to Bangalore visit it.

He revived the Vabasandra lake without discharging even a litre of water which existed at the time of rejuvenation this lake was revived in a span of 52 days with 95 lakhs budget. He revived Gavi lake in a span of 15 days with Rs. 15 lakhs, this is the first lake in the world which was funded by the donors from all the corners of the globe. For right cause there is no dearth of funds . If the 6 crore people of this state make mind in contributing Rs.1 per day, with in few years we can revive all the lake in the state. He has vast knowledge of behaviour of lakes. His way of presentation was unique, his piece of advice is protect the lakes & trees around your community, use rainwater harvesting, solar energy & do not pollute any source of resources.

Respect the Pancha Bhuthas like WATER, AIR, LAND & OTHERS.

– K. U. Ganapathi.

TREK TO KOTE BETTA

As part of Builder's Association of India's World Environment Month celebration, a trek to Kote Betta was organized on 30th June 2019. We started our journey from Mysore at 5.30am with 33 members on board to Kote Betta which is in Madkeri District and the sixth highest peak in Karnataka. The best part was the journey, where we laughed out with pulling each other's legs. We reached Kote Betta at around 9.30am. Everyone had breakfast which was tasty and hot complimenting the weather. It was time to pack our lunch and we left the place on a Mahindra Trailer up to the trek point. We were briefed about the nitty gritty of trek by our masters Mr.Sapta Girish, Mr Yogendra and Mrs Sowmya.

Enjoying the flora fauna around with beautiful weather and with great enthusiasm all of us covered the distance to reach the summit by 2pm. We walked through the clouds and the gusting wind. I find loss of words to explain the feelings which was experienced by us. On the summit we could see a small Shiva Temple with two Shiva Lingas which were being worshiped. The packed lunch was tasty amidst the gusting wind and cool clouds around us. We started descending the Betta, reached our bus by almost 6pm. Hot pakoda and tea were served to us. All in all, we covered 21 Kilometer distance from start point to end point. It was a fitness test to BAI members. All passed with Distinction. The trek was meticulously planned & executed by our coordinators A Dinesh & Geethashree with the help of Trek Masters Sapta Girish, Yogendra & Sowmya. Thanks to B S Dinesh for motivating & supporting the group.

BAI BLUE SAND GREEN MARATHON

BAI Mysore centre along with Sri. Balaji Blue Sand Industries Jointly organized "BAI BLUE SAND MARATHON" on Sunday the June 9th 2019.

Early morning at 5:30 am we all assembled at open air theatre of Manasa Gangothri Campus. It was so joyful and refreshing atmosphere, registered participants started pouring in Team Decathlon started recording bib nos along with Spoorthi coordinators. At around 6:30 am warm up started along with ZUMBA dance by the ' FITNESS CLUB'. At round 7am "BAI BLUE SAND GREEN MARATHON 2019" was flagged off by Sri. K.T Balakrishna Police Commissioner Mysore and Prof.G. Hemanth Kumar Vice Chancellor, University of Mysore. Marathon event started for 10km and 5km categories students, regular runners, children, senior people, BAI and Spoorthi members participated in large numbers. Totally 450 numbers participated in the Marathon events. One Mr.Srikanth from Athletic association and team from Decathlon stores helped for the complete process of Marathon event like procedure for flag off, recording each runner time and their bib no etc..

Finally the event concluded by 7:30am and Valedictory function started. Our main sponsor Mr. M C Mallikarjun from Sri.Balaji blue sand Industries gave away the prizes to winners. Other sponsors like M.Senthil kumar, Mr.Dasharath of Cadd station technologies, Mr.Manjunath from M/s GE Mars comforts, Mr.Rakesh of Decathlon along with our BAI, MBCT and Spoorthi office bearers, distributed the cash prizes, trophy and Certificates to all the winners. Breakfast was served to all the participants. In the history of BAI Mysore Centre this Marathon event was the first of its kind, was very successful and created awareness among the public. Marathon was well organized by BAI and spoorthi members. Mrs. Usha Prakash compered the program. We thank other sponsors M/s Sankalp group, M/s Maakaala, Decathlon stores, Fitness club, Sherya Associates, Pupa Pub and Chirag Ads.

- M. Rathnaraj

DRAWING & PAINTING COMPETITION

June 5th is being observed as World Environment Day, BAI, Mysore Centre celebrates world environment month by conducting many activities like iconic talk, green treasure hunt, green marathon, trekking and drawing competition every year in the month of June.

I would like to share my fruitful experience at the drawing competition held at BAI office this year. On the 16th morning I reached the BAI office to take part in the drawing competition, to my surprise I saw many students had gathered before the schedule hour. BAI and Spoorthi members were guiding children to register in their category. Registration counters were very well organized which made us to register fast. We were seated according to the age group, which was categorized. There were three categories group A for 1st std to 4th std which was only coloring the given picture, Group B for 5th to 7th std drawing and painting the given theme "beat air pollution" and Group C for 8th to 10th std children, poster making on the

given topic "Beat air pollution" which includes drawing, painting along with a slogan.

For my age group it was poster making competition, on beat air pollution. Time duration given was two hours. It was so well organized I didn't see any parent interference during the competition, which otherwise I come across. It was a fair competition without any hindrance. All the participants viewed the film on the lifestyle of tiger which was screened after the competition. It was quite informative and we enjoyed it a lot. After this they announced prize winners name and gave lovely trophies with the certificates. They even gave participation certificate to all the children. Spoorthi team gave biscuits, chocolate & Juice to all the participants. I observed that the younger children were very delighted while receiving the snacks.

Overall the drawing competition was very well organized by BAI, mysore centre. I whole heartedly thank the organization for giving me this opportunity.

A TRIBUTE TO A DEAR FRIEND AND COLLEAGUE

Quite a daunting task this, to pen a tribute to a persona as exuberant as Naidhruva. The cruel hand of fate snatched him away from our midst. The reality is yet to soak into me, as tears swell in my eyes and blur my vision as I write this passage. He was a man of the world and loved the good times. However varied the age group he could gel with them easily and laugh in his inimitable style. A vice like grip in his hand shake was a signature in itself. The volume of his voice waxed and waned dramatically depending on his mood and the company he kept. He was also a man who had a penchant for singing and drama. He and his wife sang a few melodious duets during our in-house programmes much to the appreciation of all. He would enact and repeat verbatim many a classic dialogue of some mythological films. In fact I would fondly call him "Babruvahana", and this would bring out a smile and a warm hug from him. He had served BAI Mysore centre in various capacities with distinction and was currently its Chairman. All of us had one thing in common, a lot of love and admiration for him. His simplicity and refreshing attitude endured himself to all of us. He leaves behind his wife Naganandini and daughter Madhurya, along with a host of dear friends and colleagues.

- AJIT NARAYAN K

Dear Naidhruva,

You can't leave all off us like this. No you don't have any right to just go away like this.

WHOOSS just like that. You have touched all our life like anything. Anyone who came into contact with you, got unconditional love and affection from you.

You were bullish in your friendship and none of us would escape from your warm hug, chin cuddling and your warm kiss. After showing such warmness, unconditional friendship you can't just go away like this. You had so many dreams for BAI. You were planning so many things in advance. Cajoling, pursuing, and requesting everyone for sponsorship, to take responsibility, to participate, and to enjoy. And just went away for the heavenly abode. JUST LIKE THAT. No you can't do this for all of us.

If we say we miss you it will be swallow words, can anyone dare to forget you. You have woven yourself to everyone's life in BAI. It's our loss a big loss. We know in heaven you are already a big hit. They will all enjoy your friendship as we all enjoyed down here. Our loss is their gain. Dear friend no one can replace you. There will be no one like you in BAI and in our life. We were privileged to have met you, made friendship with you and we all have lots of very loving memories of the time spent with you. BUT YOU DON'T HAVE ANY RIGHT TO JUST GO AWAY LIKE THIS.

CONDOLENCE MEETING

Condolence meeting was arranged to the departed soul of our beloved Centre Chairman Sri Naidhruva at MBCT Premises on 20th June at 4 pm, as a mark of respect. Many of BAI and Spoorthi members attended the meeting and expressed their deepest condolences of the untimely and sad demise of Mr. Naidhruva.

Many BAI Past Chairmen, BAI members, Spoorthi past president's, Spoorthi members spoke few words about him. Everyone spoke about his cheerful attitude, enthusiasm, friendly nature, motivating the fellow members, his plans about BAI activities.

Spoorthi members expressed the way he used to respect women and always greet with his friendly smile. Everyone expressed their deepest sympathy to their family and prayed to give strength to their family to bear the terrible loss.

Words cannot even begin to express our sorrow. May your heart and soul find peace and comfort.

SHRADHANJALI

Our deepest condolences on behalf of Builders' Association of India, Mysore Centre, Spoorthi and MBCT, we pray the almighty to give strength to the family to bear the loss. Om Shanti
