## E.C. MEETING AT HILL STATION, MADIKERI

This year's family out station E.C. meeting was held on 20th and 21st of July 2019 at Madikeri. It is a hill station town in Karnataka, framed by western ghats mountain range, with vast coffee plantations, lush forests misty hills. We stayed at Club Mahindra Resorts. Nice ambience and best hospitality.

Around 27 families and 13 stags attended the meeting. Everyone started from Mysore by car pooling at around 9am in the morning, on the way to Madikeri few of them visited Golden temple at Bylakuppe reached

Madikeri by 12.30 pm assembled at The East End hotel to have lunch, few of them came directly to the resort. Later, while a few retired to relax, many of us gathered near club house and enjoyed playing the in-house games like Table tennis, badminton, carrom and rain cricket. High tea and snacks were served at 5.30pm in the evening which was followed by the E.C. meeting. Hon. Secretary Sri R. Raghunath thanked the hosts of the meeting Sri G. Ashok, Sri C.D. Krishna and Sri S.H. Srinivas. Special thanks to Sri T.N. Parthasarthy for his support in arranging the Club Mahindra Resorts for the meeting. By the time meeting was adjourned for fellowship and fun time, all ladies and children were gathered in the banquet hall. In my perspective, having fun with family and friends whether it is playing or hanging out is something that most of us look forward to. Playing games was the most important thing, everyone had lot of fun which was interesting and memorable.

The colorful evening started with fulfilled games conducted by Veena Ashok, Lalitha Mohan and Sandhya Dinesh for all age groups. The games were so different, each and everyone participated with Enthusiasm and enjoyed a lot. First they started with kids games, their were around 18 kids, had great fun playing games ,they got so involved and became competitive which made the game quite interesting. Then fulfilled games for ladies, couple games and family puzzle games were arranged and the first three prizes were awarded by our centre Chairmen B.S. Dinesh.

As Friedrich Nietzsche said "without music, life would be a mistake". A beautiful musical Karaoke singing and D.J. night was organized by Nanda Kumar with our in-house singers Shweta Dinesh & Rekha Raviprakash, Ramesh Rao and Mohan Kunte. All of them sang lovely songs and entertained the gathering. Everyone enjoyed the wide spread dinner. Everybody enjoyed till late night with Music, Dance and playing cards. Next day morning after break fast everyone gathered at banquet hall for few more games and played tambola which everyone enjoyed. Later everyone gathered for a beautiful group photo. Sri B. S. Dinesh thanked each and everyone who participated in the game, and also for making the event colourful. Centre Chairman B.S. Dinesh and Hon. Sec. R. Raghunath distributed game gifts. Later everyone gathered for mouth watering lunch. On the whole the programme was well organised by the co-ordinators. It was one of the most memorable trip to Madikeri in lovely monsoon weather.

After lunch all of us started towards Mysore on 21st July, at 3pm enjoying the pleasant rain of Madikeri, the cool breeze, the bright hued flowers, the clouds sailing across the sky and the fog covered, scenic beauty of the Coffee estates filled our hearts with joy and bundle of memories.

MBCT Outstation Trip

Eight days of fun and frolic with best of best friends of MBCT, gigantic "GIRIRAJA" - king of mountains and the youngest in the world too. "YES" it was a pleasure trip to KINNAUR, nestled in the heart of Himalayas. No one could've bargained for such pleasant weather conditions and an opportunity not to be missed to view snow-clad mountains during sunset & sunrise.

Our tour master Mr. Badarinath left no stone unturned in keeping us busy scratching our heads for the answers to his quizzical questions. Trip treasury was well managed by Mr. & Mrs. N. Subramanya. On arrival at Chandigarh airport, transfer by two tempo travellers 'VICKY' & 'GAGAN' for onward journey to NARKHANDA via Matiana forest range. After an overnight stay, we proceeded to a two nights stay at

SWISS COTTAGE TENTS at IGLOO CAMPS in SANGLA VALLEY where hot water bath proved to be too valuable. We visited CHITKUL- the last Indian village before Tibet, explored the cultural & social facets of life of people of BATSERI and KAMROO VILLAGES- barely opened 25 years back.

Departed to KALPA, mountain at dizzy heights overlooking the entire KINNER KAILASH range at 20,000 feet, enjoyed the stunning views of the range during sunset and visited the old market late in the evening. Departed for FAGU after breakfast and reached in the evening, only to relax. Next day we were in KUFRI- while few enjoyed HORSERIDE through the SLUSH to the top, the rest strolled around the town. Proceeded to SHIMLA from here and as planned had variety of CHATS as lunch at famous MALL ROAD. As usual, brisk shopping by SPOOS was seen. The same evening MBCT had a meeting at our hotel in FAGU where significant decisions were taken. Post breakfast next day, left for CHANDIGARH, strolled around SUKHNA LAKE and visited markets for shopping in the evening. Next day morning, after viewing the famous ROCK GARDEN, left for airport with packed lunch. Reached NAMMA MYSURU late in the night with sweet memorable memories.

## SHILPI INTERNSHIP PROGRAM

Shilpi Internship Program for Engineering students was Inaugurated on 11th July at MBCT Auditorium at 11am.

Mr. S. Prakash, Chairman ACCE (I), Mysore was the Chief Guest and Mr. B.R. Badarinath, Past Chairman of BAI Mysore, was the Guest of Honour. Shilpi Co-ordinator Mr. V. Srinath welcomed the gathering. BAI Mysore Chairman Mr. B.S. Dinesh spoke about BAI and its activities. Hon. Secretary Mr. R. Raghunath introduced Guest of Honour Mr. Badarinath. Mr. Udai Kumar introduced Chief Guest to the gathering.

In their addresses both Mr. Badarinath and Mr. Prakash emphasized about the importance of internship,

advised them to be attentive and to acquire maximum knowledge as it is a golden opportunity for them. Mr. Ramesh Rao, the master of ceremony, did a commendable job. Mr. A. Dinesh proposed the vote of thanks. Around 190 students from different engineering colleges registered and attended the program. It is noteworthy that students from different places like Sullya, Tiptoor, KGF, K.R. Pete, Mandya, and seven engineering colleges from Mysuru enrolled for the internship.

This shows their confidence, eagerness and inclination to do internship through BAI Mysore. We are thankful to Spoorthi President and members who helped us in registration work. Faculties from different engineering colleges attended the inaugural. The program was followed by lunch. The students were divided into 13 groups which were named after different components of building, like roof, lintel, column etc. Each Shilpi coordinator was given responsibility of two groups.

We identified around 15 sites belonging to our own members and made each group visit different sites on rotation basis. The idea behind this was, students would come across different stages and types of construction in different sites. On 15th, Team Shilpi took all the internship students to Kadakola under the guidance of Mr. Deepak to visit a site wherein cold storage and dry storage work was going on. Also, they visited an automated cement block brick industry. More than 150 students attended this program in spite of rain and they were very happy about this industrial visit.

Next day on 16th we had a technical session at our MBCT auditorium from 10:30am to 1:30pm. The first session was on road works and it was handled by engineer Mr. Guruprasad from quality control, PWD. He gave a one hour PPT presentation about execution of road works. Another retired Chief Engineer Mr. Trimbak T.P. spoke about irrigation projects with PPT presentation. In between these two technical sessions, the much acclaimed international personality trainer Mr. Chetan Ram spoke to students about personality development and communication skills for almost 75 minutes. It was very well received by students. They were very

This prayer can be chanted whenever there is a problem to living beings from natural calamities like floods, tsunami, earthquakes, etc. History has proved that, when a natural calamity (incessant thunder and rain by Indra) wanted to blow the Brijwasis (people of Gokulam), Lord Krishna was pleased by their prayer and saved them. The above sloka relates to that incident.

The natural disaster itself is very bad news. Our whole hearted Prayers and wishes to the Flood victims. They are in rough times. May God, bless each and every person affected by these floods. Let them know there are millions of us here praying for them and their loved ones.
